The HVLSA has been bridging communities through Parks and Recreation since 1975 with professional development and networking opportunities. We have certainly seen how collaboration can strengthen bonds and prove to be a guiding light in times of uncertainty.

HVLSA remains dedicated to growing alongside all Parks and Recreation professionals as we serve our communities, no matter what the world throws at us. We have seen how essential our services can be to the human condition and how valuable open spaces, trails, and parks truly are as assets in every community.

Please consider joining us whether it's your first or fifteenth year with Hudson Valley Leisure Services Association. We look forward to an exciting membership season. There are membership options for Elected Officials/Board Members, Municipal Agencies, Therapeutic Professionals, Seasonal Professionals, Vendors, and even students pursuing careers in the Parks and Recreation field.
